**Riverways Program Holds Meeting to Discuss Neponset River Restoration**

**WHAT:** The Massachusetts Riverways Program, a division of the Department of Fish and Game, will host a meeting to present results of studies relating to river restoration and polychlorinated-biphenyls (PCB) remediation alternatives for the lower Neponset River. The meeting kicks off a public participation process to discuss options for remediating pollutants and restoring the river for recreational use and as habitat for fish such as herring and shad.

**WHO:** Riverways Program Director Joan Kimball  
Riverways Program staff Gabrielle Stebbins and Tim Purinton  
United States Geological Survey scientist Rob Breault  
Consultants Jim MacBroom and Elsa Loehmann of Milone and MacBroom

**WHEN:** **Wednesday**      **January 9, 2008**      **Time: 7 pm**

**WHERE:** St. Gregory's School Auditorium, 2214 Dorchester Ave., Dorchester  
(Tentative snow date is January 16. In case of inclement weather, call 617-626-1571.)

**DIRECTIONS:** From Boston, take Route 93 South to the Granite Ave. exit (Exit 11B-toward Route 203/Ashmont). Turn slight right onto Granite Ave. Turn left onto Milton Street. Turn left onto Adams Street and then right onto Richmond Street. Turn right onto Dorchester Ave and the school is at the end of the street.
